

Comsen Powerhead C2 100

Australia's most popular proven and economical pole mounted powerhead. Fits straight onto powder coated aluminum poles and secured with four bolts. New heads only can be ordered to replace non-compliant boxes. Fits simply onto existing 60mm OD water pipe.

Features:

- Impact and UV resistant non corrosive PVC body with a 20 year guarantee
- Proven in the field under the harshest weather conditions
- Design provides resistance to vandalism
- Proven watertight with RCBO's fitted inside the weatherproof, IP66 rated enclosures
- Easy access for electricians to all 15amp power outlets and electricals
- Sturdy powder coated cast alloy pipe cone base for easy connection to existing posts
- Modular system design allows for many customised service combinations to suit needs
- Quality electrical components and safety switches providing reliability with a 5 year warranty, 3 years for LED's
- Colours designed to blend with the outdoor environment
- All parts moulded and certified to ISO quality manufacturing standards in Australia
- Design and electronics fully compliant to the Australian/ New Zealand Standard – Electrical Installations (Caravan Parks) AS/NZS 3001:2008
- All spare parts available and listed on www.comsen.com.au

Available optionals:

- Add a Light – 6000K LED with Diffuser
- Add a PE cell to control light
- Add approved kWh Meters for user pay power
- Add Locks to the latch doors to prevent unauthorised access
- TV outlets
- Phone outlets
- Data outlets
- Night reflective tape for visibility
- Aluminum Mounting Pole powder coated

Comsen custom Australian made service pillars provides power, light, water, television, phone, data, meters and internet access solutions for any Caravan Park.
